fabric choice Our standard fabric range is shown above. This is a selection of available coverings - our furniture can be upholstered in an almost unlimited choice of fabrics, vinyls and leathers, subject to some exceptions. If your choice is not shown, or you would like help with your selection, please contact the sales team.

flammability All standard fabrics meet **BS EN 1021-1+2** when used on our furniture.
 Fabrics with the flame symbol 🔥 are supplied to meet **Crib 5** as standard, when used on our furniture. All foams and fillings are **CMHR**, and pass **BS 5852**.
 Many of the fabrics without the flame symbol can be treated to **Crib 5** if required, for an extra charge; please contact us to discuss options.
 Please ensure that your choice of covering meets your projects flammability requirements.

treatments + The cross symbol indicates that the covering is **anti-microbial/anti-bacterial** and therefore ideally suited for healthcare use.
 Many fabrics can be treated with **anti-stain** and **anti-microbial/anti-bacterial** finishes; please contact us for details and prices.

suitability Not every fabric is suitable for every product. Coverings marked * have exceptions and these are indicated on the appropriate product page of the price list.
