\*\*relies on fabric and colour choice being in stock with Camira at time of order; see terms and conditions for details.

## Terms and conditions

### Order information

Please make it clear on your order that it is for the Fast track programme. The 10 working day lead time will begin when we have all the information from you that we need to proceed, i.e. quantities, fabric and finish choice.

The lead time is ex factory, and we will contact you during this period to arrange delivery. Should you wish to collect, orders will be available for collection from our factory in Enfield after the ex-factory date.

\*For non-account customers, manufacturing time will start from receipt of cleared payment. Orders are subject to availability and maximum quantities.

### Fabric availability

Camira endeavour to hold good stocks of Aquarius, Blazer, Hemp and Synergy, although the 10 working day lead time offer is subject to the chosen fabric being in stock at Camira at the time of ordering. In the event of the fabric being out of stock, we will inform you within 24 hours to discuss alternatives. If you would like a sample card of these fabrics please email sales@hitchmylius.co.uk or call 020 8443 2616.
